

## Grower 2

### Armstrong, BC

#### Position Summary:

This is an entry level Grower position responsible to assist with the production of forest seedling crops in greenhouses and open growing compounds. This includes assisting with the implementation of the nursery's cultural control program to ensure conformance with quality control standards. Responsibilities also include keeping neat and accurate records, maintaining nursery facilities, and ensuring proper maintenance of equipment in use.

#### Compensation & Benefits:

- \$21.74 per hour
- Performance bonus program
- Matching RRSP program
- Comprehensive benefits package inclusive of extended health, dental, provincial medical with all premiums paid by the employer
- Our PRT nurseries are vibrant and fun communities with employees who share a strong passion for the "green" nature of our business and doing their part in regenerating the forests of North America. We provide a supportive team structured environment, a strong safety culture, and a commitment to the environment.

#### Qualifications:

- The successful individual should have at a minimum, a two-year diploma in horticulture or agriculture, or an acceptable combination of formal training and relevant experience.
- Applicants must hold, or be capable of obtaining, a Pesticide Applicator Certificate and a valid BC driver's license.

#### About PRT:

- PRT operates a diverse network of nurseries in Canada and the United States enabling us to grow a wide variety of high-quality container seedlings for all climatic and site conditions. Annual production of 185 million seedlings makes PRT the largest producer of containerized forest seedlings in North America
- We produce trees for customers from British Columbia to Ontario and Wisconsin to California

#### How to Apply:

Applications will be accepted until February 29, 2016. To learn more about this great opportunity please contact us directly and/or submit your resume and cover letter to:
