

International Plant Propagator's Society 2017 Annual Western Region Meeting Call for Posters

IPPS Western Region

2017 POSTER INFORMATION

Submissions due September 22, 2017

The Western Region of the International Plant Propagators' Society is soliciting posters for the 2017 Annual Meeting in Wilsonville, Oregon on October 17-20. This event brings together educators, researchers, professionals and students in the field of plant propagation and related disciplines. Any research, development, or horticultural practice about plant propagation or plant production is appropriate as long as it is non-commercial in nature. Posters do not have to be academic or scientific in nature! If you have an innovative technique or method for growing plants, feel free to share it through a poster. Membership in IPPS is not required.

For the second year, the IPPS-WR conference is using a different format for the New Plant Forum. Rather than presenting new plants in an oral session with limited time, new plants will be presented as posters. This change should help ensure that everyone gets a chance to see the new introductions and allow time for more in depth discussion. Both non-patented and patented plants may be presented and posters should discuss the unique characteristics of each new plant and the features that make the plant unique. Information on the taxonomy and source of

propagules (seed, cuttings, plugs, liners, etc.) should also be presented. Authors should also feel free to bring specimens to present with the poster. Please limit your plant introductions to those from 2016 or newer.

Posters should be vertically formatted and be up to 35-inches wide by 47-inches tall. They will be mounted on walls with 3M poster/picture/mounting tape that will be available on site. General directions on how to develop a poster can be found at these websites:

<http://www.ncsu.edu/project/posters/>
<http://dept.ca.uky.edu/PLS440/IPPS/ER-IPSPoster.pdf>

Specific requirements for posters include:

- The poster title, author, and affiliation should be on the top of the poster.
- Lettering for the title should be at least 1-inch tall, other text may be smaller, but should be legible from two feet away.
- Authors are encouraged to include a personal photograph in the poster to assist in identification.
- Images, figures, and tables should predominate over text.

A one page summary of the poster's content should accompany the application. If accepted, the summary will be archived and published in the 2017 Combined Proceedings. Published articles are fully copyright protected. A digital copy of the poster can also be archived. Please include the author's name(s), affiliation, address, phone number and email address on the summary.

Accepted posters can be shipped to the address below or hand delivered to the Annual Meeting at the Holiday Inn Portland (Wilsonville) Hotel by 5:00 pm Wednesday, October 18. They will be removed Friday, October 21, at 1:00 pm and can be picked up at that time or will be returned by mail toward the end of October in the same mailing tube in which they arrived. Please submit the application and summary by September 22; you will be contacted if your poster is selected for display.

Please submit application and summary to:

Larry A. Rupp
Plants, Soils, and Climate Department, Utah State University
Larry.Rupp@usu.edu

Posters may be hand carried to the meeting, or mailed directly to:

Holiday Inn Portland I-5 South Hotel
IPPS Western Region Annual Meeting
25425 SW 95th Avenue
Wilsonville, Oregon 97070
USA

**APPLICATION FORM
2017 POSTER SESSION**

Western Region IPPS Annual Meeting
October 17-20, 2017
Holiday Inn Portland I-5 South Hotel
25425 SW 95th Avenue
Wilsonville, Oregon 97070
