***This donation is in support of The SR-IPPS Educational Endowment Fund.***

***Return this form, along with check or other payment payable to:***  
Horticultural Research Institute | 2130 Stella Court | Columbus, OH 43215

### GOAL

The goal of the SR-IPPS Education Endowment Fund is to have long-term funding to support educational activities and out-reach of the SR-IPPS.

### BACKGROUND

An anonymous donor contributed \$20,000 to establish the SR-IPPS Educational Endowment. This Donor's generosity has laid the foundation and Southern Region now needs your help to build this Endowment.

### RESULTS

The SR-IPPS Educational Endowment at HRI will allow continued support of programs like the Vivian Munday Scholarship/Work Program that provides students the opportunity to attend our annual conference in exchange for working at the conference, our International Exchange Program, and the Charlie Parkerson Southern Region-International Plant Propagators' Student Research Awards Program. In the future, we hope to expand the exchange program and develop new programs that will allow more early-career professionals and students to interact with the SR-IPPS.

### HOW YOU CAN HELP

Please make your donations directly to HRI to insure getting your taxable deduction. Complete the attached form and send along with your contribution to HRI. Your generosity will allow the SR-IPPS Educational Endowment to grow, thrive, and support the horticulture leaders of tomorrow.

*Be part of a great tradition!*

Help support the Southern Region (SR)-IPPS Educational Endowment. The SR-IPPS has a long history of distinguished educational programs – to enhance its members and the green industry. One of its exceptional strengths is supporting and cultivating the next generation of green industry professionals and leaders.

The SR-IPPS educational programs are a great return of investment - benefiting the general membership and developing the next generation of green industry leaders, teachers and researchers. In 2016, nearly \$10,000 was spent in supporting educational programs. Another benefit of a strong, stand-alone SR-IPPS Educational Endowment - will be keeping annual conference registration at affordable levels for members.

We need your help. An anonymous donor is contributing \$20,000 to initiate the Educational Endowment under HRI management. Long-term funding is needed to support educational activities and out-reach of the SR-IPPS.
