## NOW HIRING

### IRRIGATION MANAGER/ INVENTORY ASSISTANT

HALE AND HINES  
NURSERY  
416 HINES LANE  
MCMINNVILLE, TN  
37110

#### ABOUT US

Hale and Hines Nursery, now in its 41th year, is one of the largest pot-in-pot nurseries in Tennessee. We offer hundreds of varieties of shade and ornamental plants in containers ranging from 15-200 gallon. We have been actively growing since our inception in 1978. We are looking for a hard working person to join our team.

#### ABOUT THIS JOB

We are needing someone with a good amount of practical container growing experience. Someone very meticulous, punctual, and motivated. Someone with a variety of plant and irrigation knowledge, not afraid to get their hands dirty.

#### WHAT WE ARE LOOKING FOR

Positive, Motivated, Hard working individual

Basic understanding of irrigation principals

Someone with a meticulous attention to detail

Ability to work independently or in a group

Aptitude for engineering

Desires to work outside and enjoys physical task

A background in plant production

Able to handle physical activity such as lifting, loading, and unloading large plants

Strong work ethic, able to function in a fast paced environment

Moderate computer skills

#### THIS JOB

This job will entail assisting management of a computerized irrigation system for a large inventory of 15-200 gallon containers with over 450 plant varieties. Practical growing experience is needed as well as understanding plant water needs. The nursery is in the early phases of using water sensing technology and keen on improving irrigation efficiency. Plant inventory management will include keeping an up to date inventory of plants ready for sale and plants still in the production phase.
