

# IPPS

Sharing Plant Production  
Knowledge Globally

## MISSION:

To share knowledge,  
information and skills.

To provide guidance and  
support for lifelong career  
achievements.

To increase recognition of the  
profession.

To maximize the integration  
of research, education and  
horticultural knowledge.

# International Plant Propagators' Society

## Eastern Region MEMBERSHIP BENEFITS

**IPPS** INTERNATIONAL  
PLANT PROPAGATORS'  
SOCIETY  
SHARING PLANT PRODUCTION KNOWLEDGE

# IPPS Eastern Region MEMBERSHIP

## WHO Belongs?

**IPPS is like a one-room school house for nursery production and propagation**

### Members include:

- Nursery workers, managers and owners, from novice to professional.
- Students, educators, researchers, and professors.
- Staff of public and private gardens, commercial and amateur plant breeders, growers and retailers.

**“Seek and Share” with the best.**

## Benefits of Eastern Region Membership

- Unlimited article downloads from the IPPS Combined Proceedings, compiled from over 65 years of presentations by the best and brightest in propagation and production.
- Monthly electronic newsletter with research & production articles, IPPS news & events.
- Discounted registration rate for the annual conference and area meetings.
- Access to “Member’s Only” area of the IPPS international website.

## Join an IPPS region near you!

**IPPS Globally:** Eastern, Southern and Western Regions in North America, Australia, New Zealand, Japan, China, Southern Africa and European Regions.

## What Members are Saying...

“The best benefit of IPPS is the knowledge gained from other industry professionals by connections made at the IPPS meetings.”

*-Richard Munson, member since 1975*

“At my first IPPS meeting I easily made many wonderful contacts for the future. I was amazed at how open members were at sharing their useful experiences.”

*-Shelby French, member since 2012*

“There’s a wealth of information sitting on every seat of an IPPS tour bus & the challenge is just to ask the right question.”

*-Charles F. Walton,  
Smithers-Oasis Company Chairman,  
retired*
