- Potential of IE in agriculture
 - focus shift
- SPAR,
Agríjob,
ZZ2

Background in Horticulture

- Hands on learning
- Systems improvement
- Post Graduate University of Pretoria

Background in Horticulture

Agricultural Field of Interest

International Exposure

A world map rendered in shades of green and yellow, with a textured, watercolor-like appearance. A dotted black line curves across the map, starting from the left side of the frame and ending on the right side, with a small black airplane icon positioned in the middle of the curve.

Don't go through life, grow through life.

- Eric Butterworth
